

SABCS NETWORK EXCHANGE

Breast Cancer Data and Clinical Implications

December 10, 2025

6:30 PM

Westin Riverwalk, 420 W Market St, San Antonio, TX 78205

About The Event

This Network Exchange is a Non-CME event designed for Medical Oncology Fellows, Early Career Faculty, and Expert-Level Breast Cancer Physicians. The focus will be on key highlights from the 2025 San Antonio Breast Cancer Symposium (SABCS). The evening will include a 40-minute expert panel discussion moderated by a leading breast cancer specialist, followed by a dedicated networking session. A Third-Year Medical Oncology fellow will moderate the program featuring two distinguished key opinion leader panelists.

Audience

Expected attendance is approximately 30–50 invited oncology healthcare professionals (HCPs), drawn from a targeted group that includes Oncology Fellows, Junior Faculty (new full-time oncologists), and leading breast cancer experts.
